Cover letter/other notes

Hello Sir/Ma'am I am a final year Computer Science student from Shri
Jagdishprasad Jhabarmal Tibrewala University(Jhunjhunu) and highly interested
in your Software Engineering Intern program. Apart from world-class creative
environment at Google, this program has deeply attracted me with challenging yet
rewarding job scope. What's more, the ideal match between requirements and my
qualifications further built up my confidence in applying for this program. I have
over 1 years of experience in javaScript (Web Development) programming and
have worked on a wide range of projects. I am confident that I can be an asset to
the team at Google. I am a quick learner and have a keen eye for detail. I am also
a good communicator and have excellent problem-solving skills. Together with my
analytical and technical aptitude, learning ability and communication skills, I am
confident that I will make a positive contribution to Google. My resume is
enclosed for your review. Thank you in advance for your time and consideration. I
would really appreciate an interview opportunity and look forward to hearing from
you soon. Sincerely, Hemant Kumar
